# BELIEVE IN DISTRICT 80

March focuses on self-care  
and mindfulness

It is important for all of us to  
take time to take care of our  
bodies, hearts and minds

# SCHOOL RESOURCE OFFICER

## Benefits:

- foster a more personal relationship between law enforcement agents and students.
- provide the school and families with a resource for law enforcement and social issues
- assist in preventative educational programs for the district
- protect the students and staff from violations of the District's policies
- provide traffic assistance at the schools
- promote effective communication in the community
