Problem Statements

Problem Statement 1

Over a three year period, we have averaged 54% of our students making expected gains in Math.

In our most recent iReady Math data, 64% of our students made expected gains.

Problem Statement 2

Over a three year period, we have averaged 56% of our students making expected gains in Reading.

In our most recent iReady Reading data, 68% of our students made expected gains.

Problem Statement 3

In the fall of 2023, 13% of students were flagged as having some or more risk on the Social, Academic and Emotional Behavior Risk Screener. We have been assessing our school systems based on the Tiered Fidelity Inventory. In the spring of 2024, Leigh scored a 48% on the PBIS Tiered Fidelity Inventory.

Goal 1: Math

70% of our students will make their individualized growth goal based on iReady Math data.

Goal 2: ELA

70% of our students will make their individualized growth goal based on iReady Reading data.

Goal 3: SEB

Based on the PBIS Tiered Fidelity Inventory, Leigh is currently at 48% of implementation. By the end of the school year 2024-2025, this will improve by 10%.

Monitoring our plan

An ongoing agenda item at each of our building level leadership team meetings will focus around our school improvement plan and updating the status of our action items. This will help to ensure collective accountability.

“Without continual growth and progress, such words as improvement, achievement and success have no meaning.”
